The Alpha group want to continue meeting so we are launching **Grapes Church**, every 2 weeks on a Sunday night

We meet with around a dozen residents of the **Stanway Green Lodge** & lead an act of worship with traditional hymns

We **pray** together - because Jesus prayed, he told us to and we believe it makes a difference

We **eat together** because Jesus and the early church did that.

We meet **all together** once a month for worship, teaching, preaching, story sharing and celebration

Great craft activities, families discovering God together
